

A modular sofa that brings warmth, connection and versatility into any space.

ALMAS

Customisable comfort that  
embraces togetherness  
from every angle.

Named after the designer's grandmother, the Almas modular sofa blends mid-century charm with modern adaptability. With its soft curves and sculptural bolster backrest, it's made for conversation, comfort and connection – at home or in shared spaces. Almas is seating that expands with you, just like the gatherings it honours.
